Introduction to Middlesbrough Council's Sports Club Directory

Middlesbrough Council's Sports Development Team has compiled this Sports Club Directory. The purpose of Middlesbrough's Sports Club Directory is to provide individuals with the information they need to participate in physical activity in Middlesbrough.

The Sports Club Directory is split into four sections, club directory, leisure facilities, parks and sports agencies/organisations.

These sections are outlined below.

Sports Club Directory

The Sports Club Directory provides an alphabetical list of sports and the clubs that cater for these sports in Middlesbrough. In some instances clubs from outside Middlesbrough have been included in this directory. This is particularly the case if there is no suitable alternative club in Middlesbrough.

Leisure Facilities

A comprehensive list of Middlesbrough Council's leisure facilities has been included in this directory. Here, details of what each facility is able to offer are included.

Parks

Middlesbrough has a diverse range of parks with a multitude of physical activity options. These parks and their facilities are detailed in this directory.

Agencies/Organisations

A list of agencies and organisations at a local, regional and national level one also provided within this directory. These agencies will be able to provide further information within their area of speciality.

Middlesbrough Council's Sports Development Team hope that this Sports Club Directory is a useful resource for those seeking to get involved in physical activity in Middlesbrough. Therefore, please do not hesitate to contact us if you feel there are gaps within this directory. See Middlesbrough Sports Development in the Agencies/Organisations section of this Directory.
